**WOUNDED WORLD**

"The spirituality of the Blood of Christ calls us to be a reconciling and hope-filled presence in the world today." In this three-hour virtual retreat we will explore the Christian understanding of Reconciliation through Precious Blood Spirituality and explore forgiveness as a function of truth, justice and mercy using the lessons of Fratelli Tutti.

Our time together will be facilitated by Sr. Mumbi Kigutha, a member of the Sisters of the Precious Blood - Ohio, and frequent attendee at St. James. Currently, she ministers in Chicago as a part-time international consultant for Jesuit Refugee Service under the reconciliation and social cohesion department. Sister Mumbi has a graduate degree in justice ministry and a certificate in pastoral ministry from Catholic Theological Union, a practitioner diploma in executive coaching, and training in the circle process as a tool for dialogue.
