Blessed Carlo Acutis*

The International Exhibition of the Eucharistic Miracles of the World was designed and created by Blessed Carlo Acutis, a young man who died from leukemia at the age of 15 and was recently beatified in 2020. Carlo's exhibition presents a selection of the main Eucharistic Miracles recognized by the Catholic Church that have occurred over centuries in various countries worldwide. Viewing this collection, you will learn about the places and histories of these documented relics and experience the fascinating accounts of these Eucharistic miracles. You will also learn a bit about Blessed Carlo Acutis—his life and character, devotion to the Eucharist, and faithful commitment to creating this catalog of miracles.
